St. Peter's welcomes new pastor

St. Peter's By The Sea United Methodist Church has a new pastor, Rev. Nathaniel Hankins, transferred here from San Angelo. Well respected and admired in San Angelo for the outreach programs he and his wife Mary started, and for his work as a councilman on the San Angelo city council he brings fresh ideas and experience to the Flour Bluff and Corpus Christi area.

Not only does St. Peter's have a new pastor but, thanks to grants from the Methodist Conference and the St. Peter's Hispanic outreach committee, the church is now bringing multimedia to the Flour Bluff area with big screen graphic presentations during its worship services. While just in its infancy

at St. Peter's its congregation is already finding the new approach motivating and having a positive influence on the worship experience. The Friday night Hispanic Worship Celebration and the Sunday night Praise Celebration is enhanced by projecting graphics and words on a large screen.

St. Peter's is actively seeking creative people of all ages to help with its multimedia projects and those strong in music, theatre and computer graphics are welcome to join the team.

St. Peter's By The Sea invites the community to meet the new pastor and his wife and to Catch the Spirit at 1541 Waldron Rd. Services are Sundays at 8:30 a.m., 10:45 a.m., and 6:30 p.m. and Fridays at 7 p.m.
